the templates.

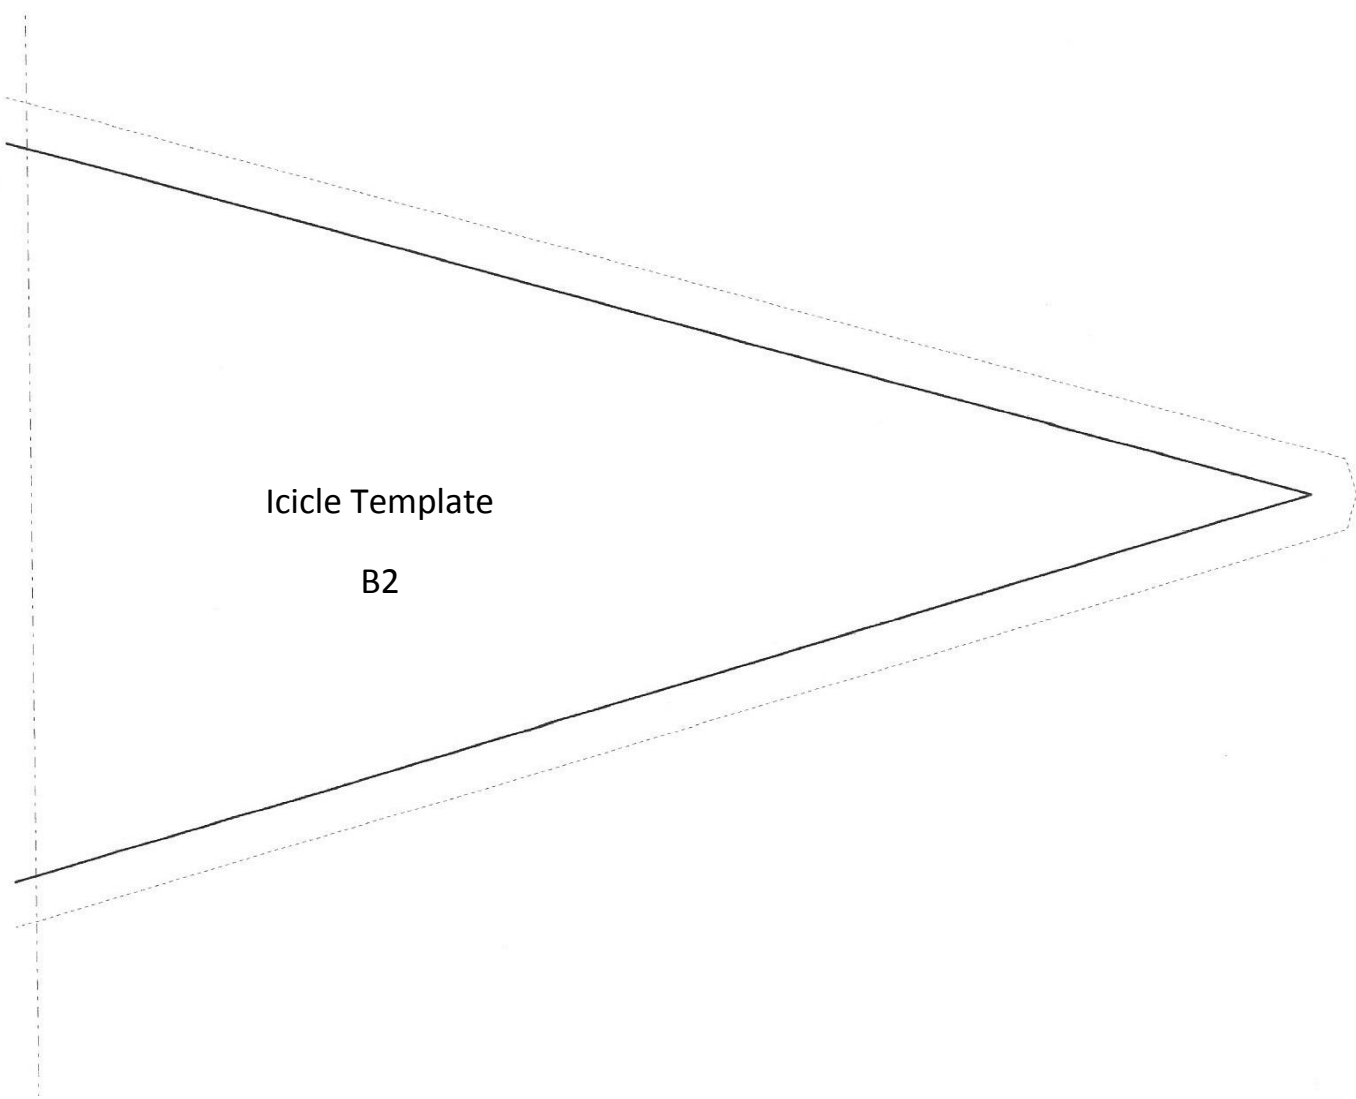

Icicle Template

A2

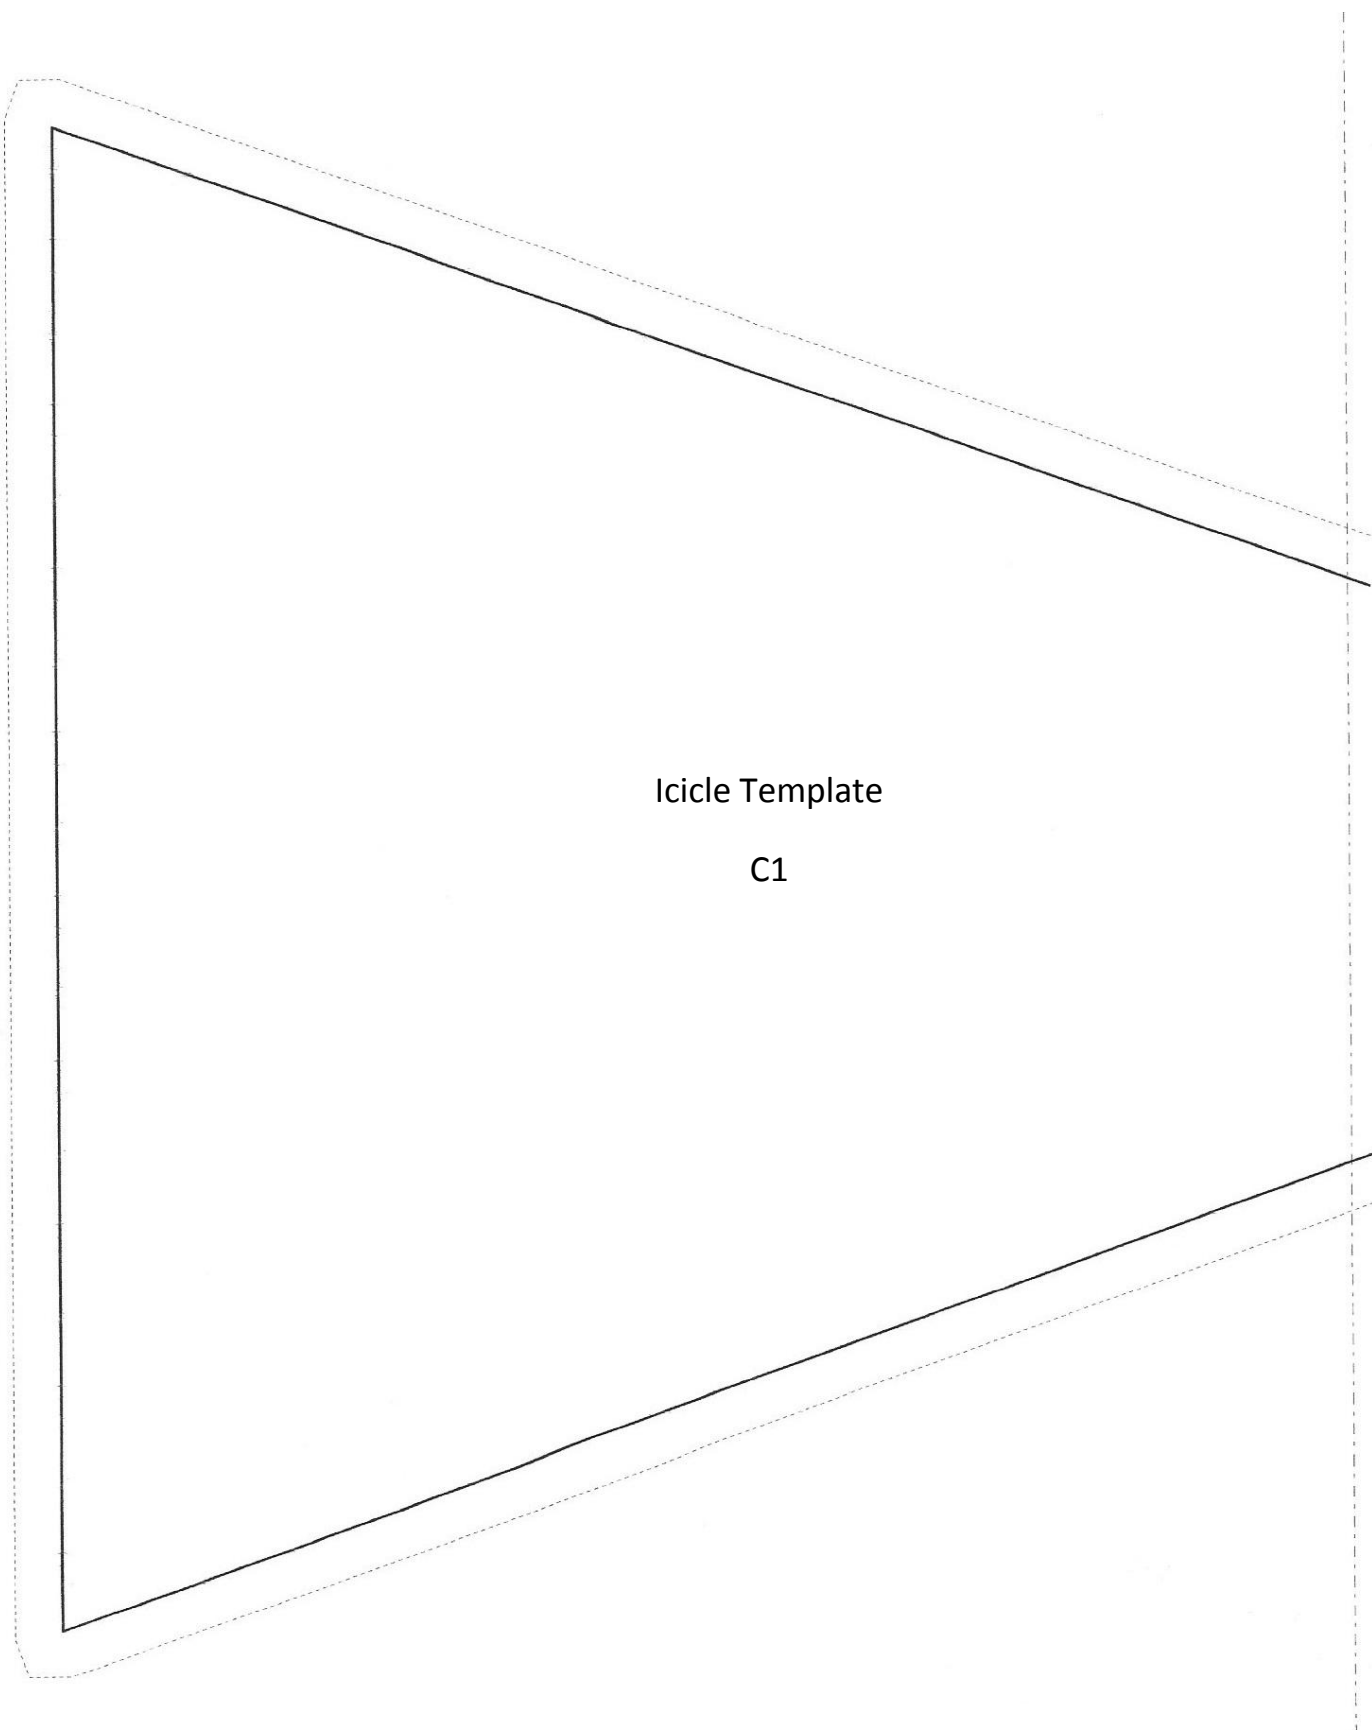

Icicle Template

B1

A diagram of an icicle template. It features a solid black outline of a triangle pointing to the right. A dashed line follows the same path but is slightly offset from the solid line, creating a narrow border. A vertical dashed line is positioned on the left side, extending from the top to the bottom of the template's width. The text "Icicle Template" and "B2" is centered within the triangle.

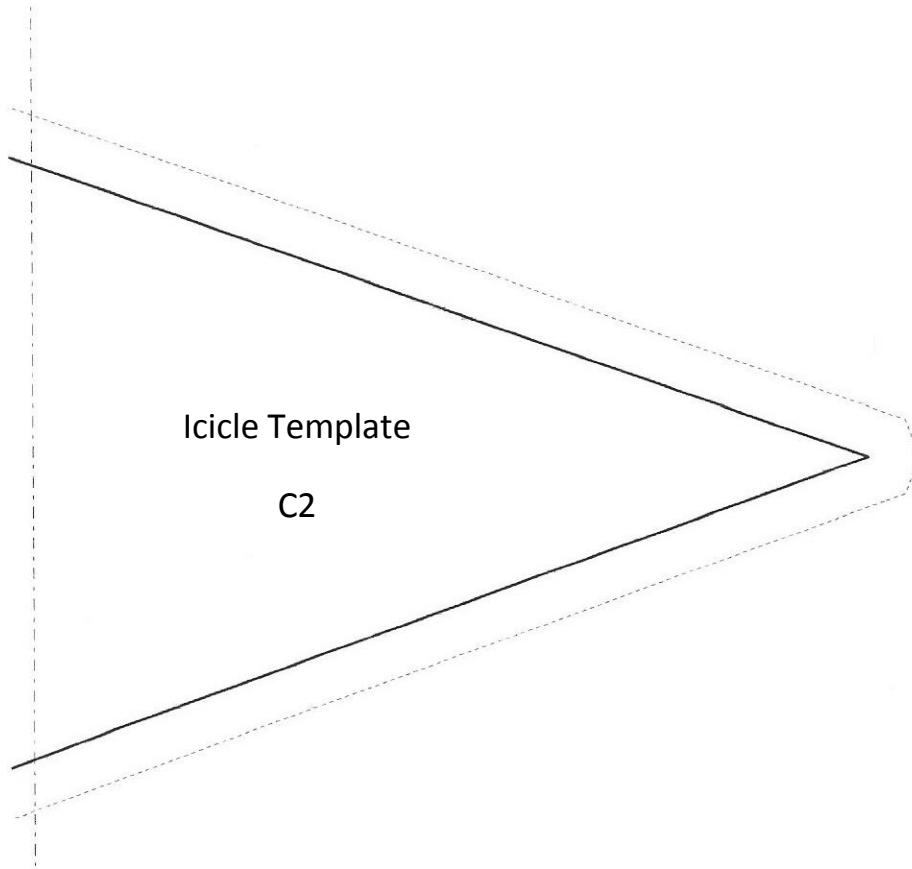

Icicle Template

B2

The diagram shows a trapezoidal shape with a solid black outline and a dashed black outline. The dashed outline is slightly larger than the solid one, creating a thin border. The shape is wider at the top and narrower at the bottom. The text "Icicle Template" and "C1" is centered within the shape.
